

Ip65 Led Bulkhead

Low-Carbon led bulkhead is a practical IP65 waterproof and dustproof LED bulkhead tailored for bathrooms, corridors, balconies, and other damp or dusty environments.

Boasting excellent sealing performance, it effectively resists moisture intrusion and dust accumulation, ensuring stable operation in harsh conditions. Power range from 10W-40W and ultra-high luminous efficacy up to 130lm/w, it's the ideal lighting choice for spaces that require reliable, energy-efficient, and long-lasting illumination.

Model No.	Power	Size (mm)	IP Rating	CRI	Lumen	Angle
LC-BH01-10W-D	10W	Ø145×55	Ip65	≥80	1300lm	120°
LC-BH01-15W-D	15W	Ø220×65	Ip65	≥80	2000lm	120°
LC-BH01-20W-D	20W	Ø275×85	Ip65	≥80	2600lm	120°
LC-BH01-30W-D	30W	Ø350×110	Ip65	≥80	4000lm	120°
