LED TRACK LIGHT

LC-TR0103 Led Track Light

Boasting up to 145lm/W luminous efficacy and >Ra90 color rendering for vivid, true-to-life illumination, the Tr0103 series track light is built for retail, exhibition, and commercial display spaces.

It offers a maximum power of 32W and up to 4500lm, making it perfect for spaces needing bright, accurate, and reliable lighting, plus a 5-year warranty.

Model No.	Power	Size (mm)	Track	CRI	Lumen	Angle
LC-TR0103-20W	20W	Ø72*123mm	3 Phase	⩾90	2850lm	24° / 36°
LC-TR0103-25W	25W	Ø80*131mm	3 Phase	⩾90	3550lm	24° / 36°
LC-TR0103-32W	32W	Ø90*141mm	3 Phase	⩾90	4500lm	24° / 36°

***Note: Lumen output are based on white finishing and 4000k, warm cct, black finishing or narrow beam ang.-, the lumen output will be decreased by 5~10%;
